All applicants are expected to have the equivalent of a GCSE Grade A-C in Maths and English. Applicants who do not meet this requirement are considered on a case by case basis and may be interviewed.

Mature students can apply without two full A levels, ideally they should at least have a qualification at Level 3 to be considered further.

UCAS Points can be made up from combinations of different qualifications, however we ask all applicants to have two full A levels or equivalent as part of their qualifications.

Vocational, international and non-standard qualifications are accepted on a case by case basis. Please refer any queries about this to admissions.
