

# Kick It Out Scholarship

## “The Next 25” Application Form

Applicant name :

This scholarship application form should be submitted alongside your application to UCFB, providing detailed answers to the questions below. Please write no more than 500 words per answer and provide clear examples for each section.

Applicants who successfully meet the minimum admission requirements for UCFB will be considered for a scholarship place based on their answers to the below questions, applicants who are shortlisted for a scholarship will also be expected to take part in an interview with Kick It Out prior to a scholarship offer being made.

### **Leadership potential**

As a Kick It Out scholarship recipient, we will seek to develop you into a future leader in the football industry – please tell us why you feel you possess leadership potential, give examples of previous occasions when you have acted as a leader in a professional, personal or voluntary context and how UCFB and Kick It Out can help you develop your career and leadership experience further.

**Equality and Diversity**

It is not necessary for a successful candidate to be from an under-represented demographic in football, but it is essential that every recipient can demonstrate a keen understanding of and respect for the values of equality, diversity and inclusion in the sport and wider society. Please tell us about your understanding of equality and diversity, where possible giving examples of things you have done or would plan to do to promote inclusivity in football.

Career plans

UCFB would expect Kick It Out scholarship recipients to use their skills and knowledge gained to make a positive impact in the football industry at any level. Please provide us with information about your short, medium and long term career goals and how a UCFB degree would help you to achieve these ambitions.

I confirm that the above is my own work and that the information I have provided is a true and honest reflection of my experience.
